

NJMC Flooding Hotline

Data Form

201-460-7770

Brief Description

This information will be used to develop a detailed record of flood incidents in the District. The New Jersey Meadowlands Commission (NJMC) is a voluntary member of the Federal Emergency Management Agency's (FEMA's) Community Rating System (CRS) program. Incentives for participation include flood insurance premium discounts. As part of this program, the NJMC is developing a **regional floodplain management plan** with a committee comprised of representatives from each municipality in the Hackensack Meadowlands District (District) as well as the public. Your information is essential to the Plan's development. **Should your property be in immediate danger, please contact your local police department.**
